GOOD TO KNOW

Services subject to VAT invoiced to non-residents of France but residents of the the Euro-pean Union :

When both parties are professionals and the supplier has its principal place of business in France in France, the customer becomes liable for VAT as soon as the subject of the commercial relationship is taxable in France, in accordance with article 283, 1°, paragraph 2 of the General Tax Code (CGI). In this context, the Caisse d'Epargne Hauts de France invoices its products and services exclusive of tax and indicates that the VAT is to be paid directly to the customer. that VAT is to be paid directly by its customers to their tax authorities (by way of example, for example, for customers of Belgian nationality, VAT is payable to the Belgian tax authorities at the standard Belgian rate).

5 INTERNATIONAL GUARANTEES

GOOD TO KNOW

International guarantees are signed commitments issued either as part of an export contract (tender guarantee, advance payment guarantee, performance guarantee, waiver of export duty, etc.) or as part of a contract of sale.

export contract (tender guarantee, advance payment guarantee, performance guarantee, waiver or as part of an import contract to guarantee payment for goods or services

A direct guarantee is a guarantee issued by a bank in favour of a beneficiary (often a company).

An indirect guarantee is a guarantee issued by a bank in favour of a bank that reissues it locally in favour of a beneficiary.

A guarantee without draft corresponds to a guarantee issued by the Bank without prior drafting of a 'draft' version of this deed pre-approved by the Customer before it is issued.

A guarantee with a draft corresponds to its opposite.

6 LEXICON

Overdraft authorisation or overdraft facility: credit agreement under which the Caisse d'Épargne d'Épargne expressly authorises the borrowing customer to have funds available that exceed the balance of the latter's current account.

BIC/IBAN: the BIC (Bank Identifier Code) and IBAN (Internal Bank Account Number) correspond to your bank details at your bank details at international level (and at European level in the case of the IBAN). These are essential for the automatic processing of any transfer to or from abroad.

Intervention commission: amount charged by the Caisse d'Épargne for a transaction resulting in irregular operation of the account requiring special handling (presentation of an irregular payment order, incorrect (presentation of an irregular payment order, inaccurate bank details, lack of or insufficient funds, etc.).

Cancellation request: request issued by the creditor before settlement to cancel a transaction which has been put into circulation in the exchange system.

- The originator wishing to issue SEPA Credit Transfer Recalls must contact the Caisse d'Épargne to find out how to proceed.

Request for return of funds on a SEPA credit transfer (recall): the request for return of funds on a SEPA credit transfer is sent by the originator's bank to the beneficiary's bank a SEPA transfer is sent by the originator's bank to the beneficiary's bank and can only be used in the following situations can only be used in the following situations: a duplicate transaction at the time of issue, a technical problem leading to the generation of erroneous SEPA Credit Transfers or in the event of fraudulent origin of the SEPA issued. The return of funds requested by the SEPA Credit Transfer Recall cannot be guaranteed as it depends on a favourable response from the beneficiary and his bank:

- the national legislation of the SEPA country in which the beneficiary is domiciled may require the bank to systematically collect the funds requested by the SEPA Credit Transfer Recall require the bank to systematically obtain its customer's prior consent to the return of funds.
- the return of funds depends on the situation of the account of the beneficiary of the SEPA credit transfer when the receipt of the request for the return of funds (Recall) by its bank.
- originators wishing to issue SEPA Credit Transfer Recalls must contact the Caisse d'Épargne to find out how to proceed.

Overdraft: tacitly accepted overdraft by virtue of which the Caisse d'Épargne authorises the customer, borrower, to dispose of funds which exceed the balance of his current account or the agreed overdraft agreed overdraft facility.

Account management fee: amount charged by the Caisse d'Épargne to remunerate account management.

Charges for seeking proof: in the event of a request for reimbursement for an unauthorised direct debit unauthorised debit more than 8 weeks after the due date and within a maximum period of 3 months, a procedure for seeking procedure must be initiated by the debtor's bank with the creditor's bank.

- If the debtor's request proves to be unjustified because the mandate is valid, the debtor will be billed for the cost of seeking proof will be charged.
- If the debtor's request proves to be justified, as the creditor was unable to provide proof of a valid mandate, a fee will be charged for the search for proof valid mandate, the creditor will be billed for the cost of seeking proof.

ICS (SEPA Creditor Identifier): Identifier uniquely identifying a creditor issuing SEPA direct debit orders.

Account operating incident: operation of the account outside the framework defined with the bank or that defined by law or regulations (for example: exceeding the authorised overdraft).

The term 'rejection' is generic and includes SEPA direct debits:

- Rejection: return of a transaction before interbank settlement (due date) at the initiative of the debtor's bank.
- Return: return of a transaction, after interbank settlement (due date), at the initiative of the debtor's bank for banking reasons or following a request for reimbursement (only for SEPA CORE direct debits).

Reversal: cancellation, after interbank settlement (due date), at the initiative of the creditor of a transaction that should not have been settled should not have been settled. The transaction must be reversed no later than 5 days after the settlement date (due date).

RICE: the RICE (Relevé d'Identité Caisse d'Epargne) or RIB (Relevé d'Identité Bancaire) is used to identify your account, particularly for transfers and direct debits.

SEPA: The Single Euro Payments Area

The Single Euro Payments Area (SEPA) is the area in which, since January 2008, all economic players (individuals, legal entities and institutions) can make and receive payments, institutions) can make and receive payments in euros, regardless of the country in the SEPA zone in which they are located zone, under the same conditions of quality, time and pricing. SEPA is the result of the European Community's desire to create a harmonised payments area.

The following are members of SEPA:

The 27 Member States of the European Union, the four Member States of the European Free of charge Trade Association Association: Iceland, Liechtenstein, Norway, Switzerland, the Principality of Monaco and the Republic of San Marino, the United Kingdom of San Marino, and the United Kingdom.
